ODOT, Region 5
3012 Island Ave.
La Grande, OR 97850

Dear Mr. Carman,

Enclosed is a grant application for the Special City Allotment grant program. We are again requesting assistance to overlay Baltimore from 3rd Ave to 10th Ave. This is a route frequented by farm truck traffic and by log and lumber trucks.

Several years ago we chip-sealed this portion of Baltimore to seal a heavily alligatored portion of the street. Since that time we have restricted truck traffic on Baltimore, as much as possible. It remains the route of choice for farm truck traffic and now for the re-load facility of Joseph Timber. Without some serious maintenance we will have to eliminate truck traffic altogether or we will loose the street surface.

Thank you for your assistance in this matter.

Sincerely,

Joe Garlitz, Recorder/Administrator
